02

Lock Cylinders

Product Overview

Model: HL01

Size: 60-130 (customizable)

Material: Large 70, zinc shell & core, brass, double

Model: HL02

Size: 60-130 (customizable)

Material: Large 70, solid brass, single

Product Overview

Model: HL03

Size: 60-130 (customizable)

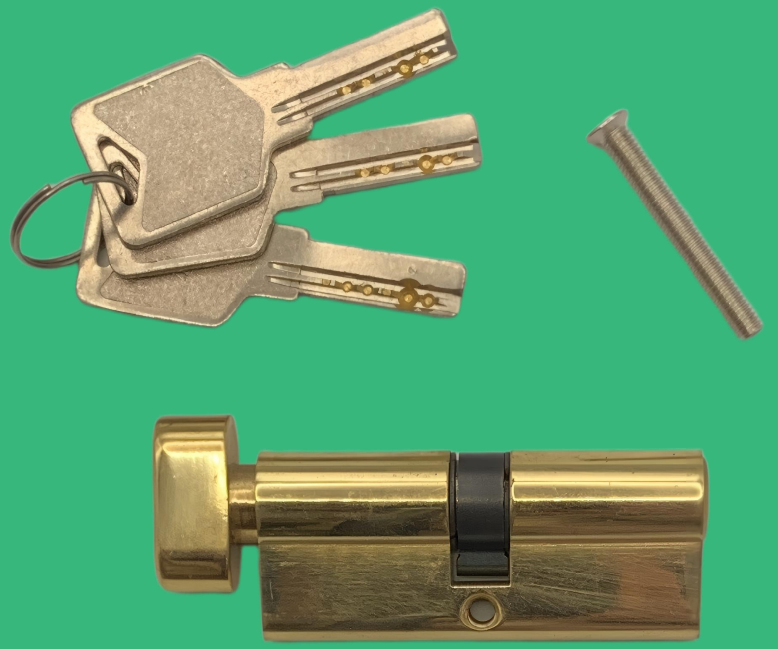

Material: Large 70, iron shell, zinc core, iron, single

Model: HL04

Size: 60-130 (customizable)

Material: Small 70, solid brass, single

Product Overview

Model: HL05

Size: 60-130 (customizable)

Material: Large 60, aluminium thumbturn, brass core, iron, single

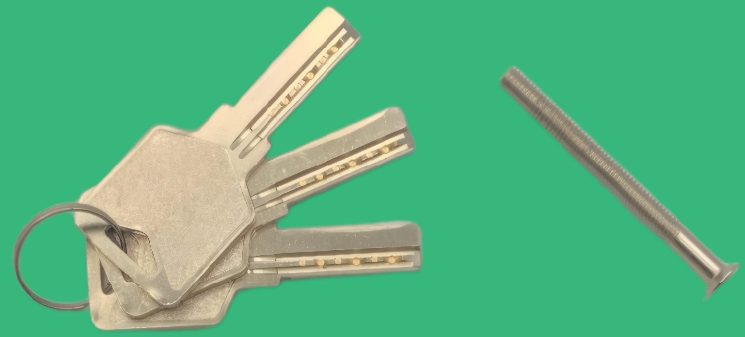

Model: HL06

Size: 60-130 (customizable)

Material: Large 70, solid brass, single

Product Overview

Model: HL11

Size: 60-130 (customizable)

Material: Large 60, solid brass, single

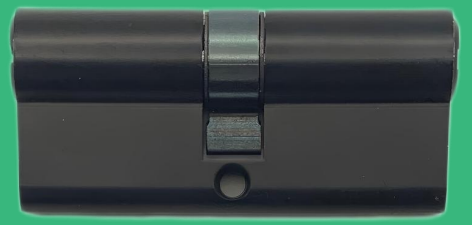

Model: HL12

Size: 60-130 (customizable)

Material: Large 60, solid brass, double

03

Handles

Product Overview

Model: 155-1

Material: aluminium

Color: customizable

Model: 155-WC

Material: aluminium

Color: customizable

Product Overview

Model: 158-1

Material: aluminium

Color: customizable

Model: 158-WC

Material: aluminium

Color: customizable

Product Overview

Model: 9009

Material: aluminium

Color: customizable

Model: K13

Material: aluminium

Color: customizable

Product Overview

Model: U68

Material: aluminium

Color: customizable

Holes: center & bottom

Model: Y11

Material: aluminium

Color: customizable

Holes: center & bottom

Product Overview

Model: U69

Material: iron plate + aluminium handle

Color: customizable

Model: U70

Material: aluminium

Color: customizable

Holes: center & bottom

Product Overview

Model: U70

Material: aluminium

Color: customizable

Holes: top, center & bottom

Model: A639

Material: aluminium

Color: customizable

Holes: top, center & bottom

Product Overview

Model: A634

Material: aluminium

Color: customizable

Model: A634-WC

Material: aluminium

Color: customizable
